The Harvest Special Purpose [Voluntary] Annexation (SPA) area of Argyle are the restaurants, future grocery, and other nearby businesses on FM407. The lower sales tax rate in that zone traces back to the original creation of Belmont FWSD #2 and the creation of the SPA area, which allows the Town of Argyle to share in the sales tax revenue from commercial development.

“Shall the Town of Argyle adopt a local sales and use tax in the Town of Argyle city limits and in special purpose annexation areas at the rate of 2 percent (2%)?”

Voting **FOR** the proposition means:

The Harvest SPA area will pay the same rate as the rest of Argyle and the local sales tax rate in the Town of Argyle will not change.

Voting **AGAINST** the proposition means:

The Harvest SPA will have a lower sales tax rate than businesses in the rest of the Town of Argyle.
