

# ARGYLE ARBOR DAY

USE THE QR  
CODE FOR YOUR  
FREE TREE!  
(While Supplies Last)

Tree Giveaway and Special Event  
Saturday, November 8<sup>th</sup> 10-1pm  
Argyle Town Hall, 308 Denton St

10-11  
AM

## WILDLIFE ON THE MOVE THE UNHUGGABLES

All the critters you thought you hated!  
This program generally includes live large hissing cockroaches, creepy tarantulas, slithery snakes, and other reptiles and invertebrates that might be on hand.

11-  
11:30  
AM

## OWLS OF NORTH TEXAS

Join Texas Master Naturalist Sharon Betty to take a look at the Fast and Featheryist Owls of North Texas. We will examine sounds, adaptations, appearances and other things that make the owl one of the most unique birds of prey!

11:30-  
12  
PM

## BOX TURTLES...Nature's Amazing Little Creatures

This presentation creates a better understanding of the life of the box turtle and the challenges faced by these amazing little creatures.

12-  
12:30  
PM

## ARGYLE NATURE TRAIL

Learn about the Town's newest parkland in the heart of Argyle from Texas Master Naturalist Diane Wetherbee. After the talk, Diane will lead a walk of the property weather permitting. Visitors can meet at the Door Church parking lot off of Cook Street at 12:45pm.
